step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions.
