BOOK #1: Digital Photography: 23 Pro Tips to Dramatic Digital PhotosThe digital revolution has affected every area of our lives and photography is no exception. It's claimed that today anybody can create great, dramatic digital images with little or no effort. However, this claim ignores the fact that art, skill, talent and sheer hard work are all still required to become a great photographer. If you've ever wondered why your images lack that certain something, despite using high quality digital technology, then this book is for you!

BOOK #2: Digital Photography: Experizing Aperture, Shutter Speed, ISO and ExposurePhotography affords us the opportunity to be creative and get outside ourselves every time we take off the lens cap and pull the camera of its bag. Unfortunately, if you only take pictures with the automatic settings on your camera, you will never use the camera to its full potential and you will never achieve the kind of pictures you are capable of creating.

BOOK #3: GoPro Camera: Begginer's Steps on How to Use GoPro Hero 3 and GoPro Hero 3+ CamerasFor a person that is all about taking things to the extreme, the GoPro series of cameras are an essential part of the overall experience. Often when a person uses one of these it is for a number of reasons as these cameras have been used in a number of sports to give both the person using it as well as those that want a bird's eye view of things to see what it is like from their perspective. This book is designed to give a person that has never had any contact with a GoPro 3 or a GoPro 3+ camera all that they will need to know in order to take the camera from the box and attach it and begin to use it in no time at all. In this book you will learn the following.
