tradition, Dionne says, points not to radical self-reliance and self-interest, but to a balance between our love of individual freedom and our devotion to community. With a deep understanding of our nation's past, Dionne crafts an incisive analysis of how hyper-individualism is poisoning our ...

*Our Divided Political Heart: The Battle for the American ...*

Our Divided Political Heart reflects his sustained engagement with American history and harvests his sophisticated understanding of our present predicament to explain why our politics has turned so sour in recent years. Astutely diagnosing the persistent tensions in American culture between individualism and community, Dionne also points the way from our current soul sickness toward a democratic renaissance."

"Tea Partiers and Occupiers alike may be surprised and enlightened by this lucid analysis, all the more convincing for its sympathetic treatment of both sides of the argument."-Publishers Weekly

America today is at a political impasse; we face a nation divided and discontented. Acclaimed political commentator E.J. Dionne argues that Americans can't agree on who we are as a nation because we can't agree on who we've been, or what it is, philosophically and spiritually, that makes us "Americans." Dionne places our current quarrels in the long-standing tradition of struggle between two core values: the love of individualism and our reverence for community. Both make us who we are, and to ignore either one is to distort our national character. He sees the current Tea Party as a representation of hyper-individualism, and takes on their agenda-serving distortions of history, from the Revolution to the Civil War and the constitutional role of government. Tea Partiers have reacted fiercely to President Obama, who seeks to

restore a communitarian balance - a cause in American liberalism which Dionne traces through recent decades. The ability of the American system to self-correct may be one of its greatest assets, but we have been caught in cycles of over-correcting. Dionne seeks, through an understanding of our factious past, to rediscover the idea of true progress, and the confidence that it can be achieved.

A noted political commentator offers a passionate argument about American identity, what is tearing the United States apart and what can be done to restore Americans' confidence.

Why are Americans so angry with each other? The United States is caught in a partisan hyperconflict that divides politicians, communities—and even families. Politicians from the president to state and local office-holders play to strongly-held beliefs and sometimes even pour fuel on the resulting inferno. This polarization has become so intense that many people no longer trust anyone from a differing perspective. Drawing on his personal story of growing up as a fundamentalist Christian on a dairy farm in rural Ohio, then as an academic in the heart of the liberal East Coast establishment, Darrell West analyzes the economic, cultural, and political aspects of polarization. He takes advantage of his experiences inside both

# Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

conservative and liberal camps to explain the views of each side and offer insights into why each is angry with the other. West argues that societal tensions have metastasized into a dangerous tribalism that seriously threatens U.S. democracy. Unless people can bridge these divisions and forge a new path forward, it will be impossible to work together, maintain a functioning democracy, and solve the country's pressing policy problems.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

A New York Times Book Review Editors' Choice "[George Packer's] account of America's decline into destructive tribalism is always illuminating and often dazzling." —William Galston, The Washington Post Acclaimed National Book Award-winning author George Packer diagnoses America's descent into a failed state, and envisions a path toward overcoming our injustices, paralyses, and divides In the year 2020, Americans suffered one rude blow after another to their health, livelihoods, and collective self-esteem. A ruthless pandemic, an inept and malign government response, polarizing protests, and an election marred by conspiracy theories left many citizens in despair about

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

their country and its democratic experiment. With pitiless precision, the year exposed the nation's underlying conditions—discredited elites, weakened institutions, blatant inequalities—and how difficult they are to remedy. In *Last Best Hope*, George Packer traces the shocks back to their sources. He explores the four narratives that now dominate American life: Free America, which imagines a nation of separate individuals and serves the interests of corporations and the wealthy; Smart America, the world view of Silicon Valley and the professional elite; Real America, the white Christian nationalism of the heartland; and Just America, which sees citizens as members of identity groups that inflict or suffer oppression. In lively and biting prose, Packer shows that none of these narratives can sustain a democracy. To point a more hopeful way forward, he looks for a common American identity and finds it in the passion for equality—the “hidden code”—that Americans of diverse persuasions have held for centuries. Today, we are challenged again to fight for equality and renew what Alexis de Tocqueville called “the art” of self-government. In its strong voice and trenchant analysis, *Last Best Hope* is an essential contribution to the literature of national renewal.

"An exquisitely timed book ... Code Red is a worthwhile exploration of the shared goals (and shared enemies) that unite moderates and

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

progressives. But more than that, it is a sharp reminder that the common ground on which Dionne built his career has been badly eroded, with little prospect that it will soon be restored.” —The New York Times Book Review New York Times bestselling author and Washington Post columnist E. J. Dionne, Jr. sounds the alarm in *Code Red*, calling for an alliance between progressives and moderates to seize the moment and restore hope to America’s future for the 2020 presidential election. Will progressives and moderates feud while America burns? Or will these natural allies take advantage of the greatest opportunity since the New Deal Era to strengthen American democracy, foster social justice, and turn back the threats of the Trump Era? The United States stands at a crossroads. Broad and principled opposition to Donald Trump’s presidency has drawn millions of previously disengaged citizens to the public square and to the ballot boxes. This inspired and growing activism for social and political change hasn’t been seen since the days of Franklin Roosevelt’s New Deal policies and the Progressive and Civil Rights movements. But if progressives and moderates are unable—and unwilling—to overcome their differences, they could not only enable Trump to prevail again but also squander an occasion for launching a new era of reform. In *Code Red*, award-winning journalist E. J. Dionne, Jr., calls for a shared commitment to decency and a politics focused on freedom, fairness, and the future,

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

encouraging progressives and moderates to explore common ground and expand the unity that brought about Democrat victories in the 2018 elections. He offers a unifying model for furthering progress with a Politics of Remedy, Dignity, and More: one that solves problems, resolve disputes, and moves forward; that sits at the heart of the demands for justice by both long-marginalized and recently-displaced groups; and that posits a positive future for Americans with more covered by health insurance, more with decent wages, more with good schools, more security from gun violence, more action to roll back climate change. Breaking through the partisan noise and cutting against conventional wisdom to provide a realistic look at political possibilities, Dionne offers a strategy for progressives and moderates to think more clearly and accept the responsibilities that history now imposes on them. Because at this point in our national story, change can't wait.

"As a boy, [U.S. Representative] Delaney learned the importance of telling the truth and embracing compromise. As an entrepreneur, he became successful because he understood the need to ensure opportunity, harness the power of incentives, and think creatively about problem-solving. In these pages, he illustrates the potency of these principles with ... stories from his childhood, his career in

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

business, and his new life as a politician. He also writes candidly about the often frustrating experience of working on Capitol Hill, where too many of his colleagues care much more about scoring political points than improving the lives of their fellow Americans"--

To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an "outrage industrial complex" that prospers by setting American against American. Meanwhile, one in six Americans have stopped talking to close friends and family members over politics. Millions are organizing their social lives and curating their news and information to avoid hearing viewpoints differing from their own. Ideological polarization is at higher levels than at any time since the Civil War. America has developed a "culture of contempt"—a habit of seeing people who disagree with us not as merely incorrect or misguided, but as worthless. Maybe you dislike it—more than nine out of ten Americans say they are tired of how divided we have become as a country. But hey, either you play along, or you'll be left behind, right? Wrong. In *Love Your Enemies*, New York Times bestselling author and social scientist Arthur C. Brooks shows that treating others with contempt and out-outraging the other side is not a formula for lasting success.

# Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

Blending cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America's top policy think tanks, *Love Your Enemies* offers a new way to lead based not on attacking others, but on bridging national divides and mending personal relationships. Brooks' prescriptions are unconventional. To bring America together, he argues, we shouldn't try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn't be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. *Love Your Enemies* is not just a guide to being a better person. It offers a clear strategy for victory for a new generation of leaders. It is a rallying cry for people hoping for a new era of American progress. And most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another, despite our differences.

#1 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the “better angels of our nature” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women’s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson’s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of

## Download File PDF Our Divided Political Heart The Battle For American Idea In An Age Of Discontent Ej Dionne Jr

times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for The Soul of America “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, The Soul of America is Jon Meacham’s declaration of his faith in America.”—Newsday “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—USA Today
