The Nook HD Survival Guide is a handy reference tool for discovering the secrets of the Nook HD. This book organizes the wealth of knowledge about the Nook HD into one place. The organization within this book is unlike any other, and it allows you to instantly find the information you seek. Looking for tips on changing the font size or highlighting passages? Navigate to the "Reading eBooks" chapter. Need more advanced tips, such as capturing screenshots or accessing the SD card? Peruse the Tips, Tricks, and Customization chapter. You will also learn how to download FREE eBooks, send email from your Nook HD, play pre-installed games, and read news for FREE. Unlike the official Nook HD user manual, the Nook HD Survival Guide is not written like a book in paragraph form. Instead, every instruction is broken down into clear, concise steps. The Nook HD Survival Guide provides useful information not discussed in the Nook HD manual, such as tips and tricks, hidden features, and troubleshooting advice. This guide is constantly updated, going above and beyond by discussing recent known issues and solutions. This Nook HD Guide includes: Getting Started; Registering the Nook HD - Connecting the Nook HD to a PC - Setting Up Wi-Fi - Using the Wishlist - Lending eBooks - Changing the Font Size - Using the Dictionary - Taking Notes - Downloading Thousands of free eBooks - Managing Applications - Managing Email - List of Nook-friendly websites that save you time typing in long URL addresses - Shortcuts and Tips Advanced Topics - Taking a Screenshot - Switching Between Applications - Playing Music - Viewing and Editing Photos - Buying eBooks through the Barnes and Noble Store - Subscribing to Magazines and Newspapers - Cancelling Subscriptions - Book Browsing Tips - Sending an Email - Using the Web Browser - Adding Bookmarks and Notes - Viewing Periodicals - Troubleshooting - Contacting the Nook-HD Support Team

The Nook Tablet Survival Guide is a handy reference tool for discovering the secrets of the Nook Tablet. This book organizes the wealth of knowledge about the Nook Tablet into one place. You will also learn how to download FREE eBooks, sen

This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time. You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices, this book will get him or her up to speed in no time.\*\*\* A Comprehensive User Guide and Manual for New Users of the iPad Pros \*\*\*Even though iPad Pros are great right out of the box, you are likely to get more from them if you know how to use them by reading a book like this one. So, if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users? Or you may even be someone who is not new to the Apple ecosystem, but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the interface and removed or relocated some of your previous favorite features, then this book was written with you in mind. We all know that the iPad Pro from Apple remains one of the world's most renowned flagships, when set up properly, it can become more than being just a phone. You can use it as a productivity tool in your business, you can make it an indispensable social media aide, e-book reader and a travel companion. All these can become possible once you learn how to better utilize the iPad Pro. This book has been written as a step-by-step guide for you to go through what you need to navigate around the iPad Pro.It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on. That means the guide is written in a way that even if you do not want to follow the order in which it was written, you are still able to make the most of it.Some of the included contents• Simple and easy to understand step by step instructions on how to first setup your device• Latest tips and tricks to help you enjoy your device to the fullest. • Using the Face ID• Hidden features• Organizing apps with the App Library• Buying, removing, rearranging, and updating apps• Taking, editing, organizing, and sharing photos• Introducing some important Apple Services• Using Siri• And lots more!This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time. You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices, this book will get him or her up to speed in no time.Special Bonus!That is not all, we have a special gift for you, something we believe you will love.Click the “Add to Cart” button to purchase on your closeout or you can buy straight away with the “Buy Now with a Click” button to buy right away.

Since the internet speeds went above the 500kpbs mark, the number of things people can do with their interconnected devices skyrocketed. Automated homes, connected cars, and internet enabled TVs. The latter is what threatens to revolutionize the entertainment world as we know it, do away with cable TV and abolish the need for expensive blue-ray players. Even though smart TVs are so lucrative, most people find them either too costly, or limiting. The alternative would be going for a TV with an HDMI port, a USB port and purchasing a dongle to bring in the power of internet TV. Chromecast is one of the best and cheapest such tools in the market.

The iPhone 5S introduced several new features not seen in the iPhone 5, such as a fingerprint scanner, new camera features, and an entirely new operating system.This guide will introduce you to these new features and show you how to use them. This book gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the iPhone. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem. How Do I Promote My Music On A Small Budget? How Do I Get My YouTube Videos to Spread? How Do I Turn Casual Fans into One’s Who Buy From Me? How Do I Get Written About On Blogs? How Do I Increase Turnout At Shows? How Do I Make Fans Using Facebook, Twitter, Tumblr And SoundCloud? With every day that passes, the power the major labels once had dies a little more. The chance to get the same exposure as your favorite musicians gets easier and easier. The hurdles that would only allow you to get popular, if the right people said your music was good enough, are gone. You can now get exposed to thousands of potential fans without investing 1% of what musicians used to by building a fanbase based on listeners love for your music. No more writing letters hoping that A&R writes you back. This book explains how you do it. While many books will tell you obvious information, legal mumbo-jumbo and marketing catchphrases that don't help you get more fans. Our experience working with real bands - from upstarts like Man Overboard and Transit to legends like The Cure, The Misfits and Animal Collective, has led us to understand the insider tricks and ideas that go into some of the most important groups of our time. We produce records, do licensing deals, negotiate record contracts and get the musicians we work with written about on websites like Pitchfork and Vice. We have worked with bands who started off as nothing and became something. Unlike any other book written on the subject we have compiled the knowledge no one else has been willing to print in fear of obsoleting their own career. We give you thousands of ideas on how to get people to hear your music and turn them into fans who pay to support your music. Whether you are a label owner, musician, manager, booking agent or publicist there is information in this book that will help you do what you do better. Enjoy! For more information see GetMoreFansBook.com
