"Ocean's Eleven meets The Devil Wears Prada" (The Skimm) in this hilarious, razor-sharp debut novel about a group of overeducated and underpaid women who decide they've finally had enough... Rule #1: All important men have assistants. Rule #2: Men rule the world. Still. Rule #3: There is enough money. There is so much money. Tina Fontana is a thirty-year-old executive assistant to Robert Barlow, the CEO of Titan Corp., a multinational media conglomerate. She's excellent at her job and beloved by her famous boss—but after six years of making reservations and pouring drinks from bottles that cost more than her rent, the glamour of working for a media company in New York has completely faded, but her student loan debt has not. When a technical error with Robert's expense report presents Tina with the opportunity to pay off the entire balance of her loans with what would essentially be pocket change for her boss, she hesitates. She's always played by the rules, but this would be a life-changer. As Tina begins to fall down the rabbit hole of her morally questionable plan, other assistants with crushing debt and fewer scruples approach her to say that they want in. Before she knows it, she's at the forefront of a movement that has implications far beyond what anyone anticipated...

"You have to bear in mind that [Questlove] is one of the smartest motherf****s on the planet. His musical knowledge, for all practical purposes, is limitless." --Robert Christgau MO' META BLUES The World According to Questlove Mo' Meta Blues is a punch-drunk memoir in which Everyone's Favorite Questlove tells his own story while tackling some of the lates, the greats, the fakes, the philosophers, the heavyweights, and the true originals of the music world. He digs deep into the album cuts of his life and unearths some pivotal moments in black art, hip hop, and pop culture. Ahhh! "Questlove" Thompson is many things: virtuoso drummer, producer, arranger, Late Night with Jimmy Fallon bandleader, DJ, composer, and tireless Tweeter. He is one of our most ubiquitous cultural tastemakers, and in this, his first book, he reveals his own formative experiences—from growing up in 1970s West Philly as the son of a 1950s doo-wop singer, to finding his own way through the music world and ultimately co-founding and rising up with the Roots, a.k.a. the last hip hop band on Earth. Mo' Meta Blues also has some (mostly) random (or not) musings about the state of hip hop, the state of music criticism, the state of statements, as well as a plethora of run-ins with celebrities, idols, and fellow artists, from Stevie Wonder to KISS to D'Angelo to Jay-Z to Dave Chappelle to...you ever seen Prince roller-slate?!? But Mo' Meta Blues isn't just a memoir. It's a dialogue about the nature of memory and the idea of a post-modern black man saddled with some post-modern blues. It's a book that questions what a book like Mo' Meta Blues really is. It's the side wind of a one-of-a-kind mind. It's a rare gift that gives as well as takes. It's a record that keeps going around and around.

My wife just shot our waiter between the eyes when he came in with breakfast! But, he had it coming to him as he had a gun on the tray and was going to give us Eggs Benedict with a Glock! Join Marsha and I as we work really hard to protect the Sea Empress and her passengers from threats from every direction. There have been so many shots taken at this ship by terrorists that the cruise line thought their business would sink. That is why we were hired to provide security. Things go so bad that the passengers were taking photos and video and emailing the explosions and hostage scene to CNN and Fox News. Instead of scaring off passengers, bookings for the ship went through the roof. The Seven Seas Company caught the spirit of the passengers and even set up a special for the ship theatre with a pirate theme! Finally, my wife and I needed a break and took a week off to sail on a private charter at the Grenadines and wouldn't you know, two local thugs dressed up as pirates tried to rob us while we sat at anchor for an intimate dinner for two. Well, our cook was great at other things besides her lobster spaghetti.
