Serafina, Neela, Ling, Ava, Becca, and Astrid, six mermaids from realms scattered throughout the seas and freshwaters, were summoned by the leader of the river witches to learn an incredible truth: the mermaids are direct descendants of the Six Who Ruled—powerful mages who once governed the lost empire of Atlantis. The ancient evil that destroyed Atlantis is stirring again, and only the mermaids can defeat it. To do so, they need to find magical talismans that belonged to the Six. Serafina believes her talisman was buried with an old shipwreck. While researching its location, she is almost discovered by a death rider patrol led by someone familiar. . . . The pain of seeing him turned traitor is devastating. Neela travels to Matali to warn her parents of the grave threat facing their world. But they find her story outlandish; a sign that she needs to be confined to her chamber for rest and recovery. She escapes and travels to Kandina, where her talisman is in the possession of fearsome razormouth dragons. As they hunt for their talismans, both Serafina and Neela find reserves of courage and cunning they didn't know they possessed. They face down danger and death, only to endure a game-changing betrayal, as shocking as a rogue wave.

With gusts of wind fanning it roughly, the flame rose fast. Harrigan made other journeys to the rotten stump and wrenched away great chunks of bark and wood. He came back and piled them on the fire. It towered high, the upper tongues twisting among the branches of the tree. They laid Kate Malone between the windbreak and the fire. In a short time her trembling ceased; she turned her face to the blaze and slept.

A breathtaking story of complicated friendships, twisted love and the fine line between life and death. The perfect thrill for fans of Sophie McKenzie and Cat Clarke
