within us. It will illuminate our minds and open our hearts as it takes us to the story of a personal awakening, so that we can see for ourselves the answers we've all been searching for. It's a journey that reflects our own path to healing, self-discovery and self-actualization of becoming awesome – our super human potential. It's the adventure of a lifetime that awaits us in The Path to Awesomeness, our destiny in life which we can only embark by letting go of the old-trodden path. The Path to Awesomeness will teach us life's greatest lesson – that falling in Love requires a leap of faith, knowing and trusting God will catch us.

First published in 1991 and based on the transcripts of four of Shakti Gawain's audiocassettes, this new edition includes all the original meditations as well as those from more recent works that focus on intuition and prosperity. These meditations can be used to help readers and practitioners tap into creativity; discover their inner child; connect with their inner guide; explore the male and female within; and much more. This new edition is nearly twice as long as the previous one, with twice as many meditations; it also includes a new introduction by the author.

Organized around the calendar year and the seasons, a collection of 365 clear and simple affirmations and/or questions is designed to show readers how to release old patterns and beliefs to enhance their awareness of self and their spiritual paths. Original.

Intuition is a birthright, but many have lost touch with it. If embraced and followed, intuition can be an accurate force that permeates all facets of life. Shakti teaches readers how to tap into their inner knowledge and use it to enhance their lives and attain their goals. Chapters explore the role of intuition in health, creativity, work, and prosperity. Exercises based on Shakti's workshops and seminars help readers listen to their inner guide but also evaluate the worthiness of such knowledge in the context of the real world. Stories from her clients and her own life illustrate the practical advice she gives.
