Bestselling Author Inspires Prayer for the Impossible Called foundational, revolutionary, illuminating, and motivating, Intercessory Prayer continues to be a classic work after more than 20 years. This rich, biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer. As Dutch explains the nuts and bolts of prayer with wisdom, gentleness, and humor, readers will find inspiration and courage to pray for the impossible--and the persistence to see prayers to completion. A workbook and 8-session DVD are also available, making this book ideal for small groups, church classes, or individuals who want to go deeper on their own.

Critical care medicine is one of the fastest-growing areas of practice, and Critical Care Study Guide, 1st ed., was the first reference to combine both concise text and reviews with questions. The second edition expands and improves coverage, including comprehensive studies in airway management, cardioversion and defibrillation, medical ethics, and the use of blood products. The unique combination of text with questions and answers makes this a crucial reference for all practitioners and residents who see patients in the Intensive Care Unit, and those planning to sit for medical boards.

Students of biblical Greek and Hebrew may not know everything they need to know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

There are many Cisco CCNA 200-301 study guides out there. This one is different because it is structured to match EXACTLY to the published CCNA Exam Topics. This structure ensures this book contains only what you need to know to pass the exam with NO FLUFF. We are certain you will pass the Cisco CCNA 200-301 exam on your first attempt. If you don't, simply return it and we will give you a full refund- no questions asked.

This is a great tool for someone looking to make Cascading Style Sheets easier to use. Includes information on: * types of CSS rules * parts of CSS rules * text pad * selectors close up * rule locations * defining styles * font controls * text controls * element controls * element positioning controls * stacking objects * browser standards * changing the cursors * debugging code * and much more...

NOTE: Only read this book if you want to pass the TMC Exam on your next attempt! Are you taking the TMC Exam soon? If so, and if you're like me, you're probably a nervous wreck. I know I sure was. You've just spent months taking all your classes and cramming loads of information into your brain, and now it's showtime. Time to put it all on the line. Well, I have good news for you. If you practice and prepare like you should, you will be just fine! It's that simple. It's not about how many total hours you put in. It's how many of the right hours you put in. That means in order to make the exam much easier on yourself, you need to be studying the right things. And this book is here to help you do just that! It wasn't too long ago that I was in your shoes, frantically trying to upload information into my brain. But I want this exam to be easier for you than it was for me. That is why I created this little cheat sheet. It isn't meant to serve as a study guide that covers all the information you need to memorize. Not hardly. But it is loaded with some actionable tips and tricks that I learned from my experience taking (and passing) the exam myself. And the good news is, you can use the insights in this book to get a leg up on the NBRC and increase your chances of passing the exam on your next attempt. So if you're ready, I'll see you on the inside.

Written by a team of world-class CCIE-certified engineers, we guarantee you will pass your exam on your FIRST ATTEMPT or we will fully refund every penny you paid!

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." "The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." "USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.
