The Best of Broadway: A Musical About Broadway

From the acclaimed author of A FIELD OF DARKNESS comes another compelling novel featuring the aorbic and memorable voice of ex-debutante Madeline Dare. Madeline Dare has finally escaped rust-belt Syracuse, New York, for the lush Berkshire Mountains in Massachusetts. After her husband's job offer falls through, Maddie signs on as a teacher at the Santangelo Academy, a boarding school for disturbed teenagers. Behind the academy's ornate gates, she discovers a disturbing realm where students and teachers alike must submit to the founder's bizarre therapeutic regimen. From day one, Maddie feels uneasy about smooth-talking Dr. Santangelo but when she questions his methods, she's appalled to find that her fellow teachers would rather turn on each other than stand up for themselves, much less protect the students in their care. A chilling event confirms Maddie's worst suspicions, then hints at an even darker secret history, one that twines through the academy's very heart. Cut off from the outside world, Maddie must join forces with a small band of the school's most violently rebellious students—kids whose troubled grip on reality may well prove to be her only chance of salvation.

"Cornelia Read's darkest, most passionate, and most poignant book yet." -Tana French, New York Times Bestselling Author
The smart-mouthed but sensitive runaway socialite Madeline Dare is shocked when she discovers the skeleton of a brutalized three-year-old boy in her own weed-ridden family cemetery outside Manhattan. Determined to see that justice is served, she finds herself examining her own troubled personal history, and the sometimes hidden, sometimes all-too-public class and racial warfare that penetrates every level of society in the savage streets of New York City during the early 1990s. Madeline is aided in her efforts by a colorful assemblage of friends, relatives, and new acquaintances, each one representing a separate strand of the patchwork mosaic city politicians like to brag about. The result is an unforgettable narrative that relates the causes and consequences of a vicious crime to the wider relationships that connect and divide us all.

Madeline Dare would be the first to tell you her money is so old there's none left. A former socialite from an aristocratic family in decline, Maddie is a tough-talking, would-be journalist exiled to the rust belt of upstate New York. Her prospects for changing her dreary lifestyle seem dim—until a set of dog tags found at a decades-old murder site is linked to her family. Shocked into action, Maddie embarks on a search that takes her from the derelict smokestacks of Syracuse to the posh mansions of Long Island's Gold Coast. But instead of the warm refuge of home, this prodigal daughter soon uncovers dark, sinister secrets that will violently challenge everything she believes in and holds dear.

Madeline Dare trades New York's gritty streets for the tree-lined avenues of Boulder, Colorado, when her husband Dean lands a promising job. As a freelance journalist in her new town, she closes in on a serial arsonist at large in the city.

2017 Winner of the Sunburst Award Society's Copper Cylinder Adult Award 2017 Canada Reads Finalist 2017 Locus Award Finalist for Science Fiction Novel Category 2017 Sunburst Award Finalist for Adult Fiction 2017 Aurora Awards Finalist for Best Novell
Madeline Ashby's Company Town is a brilliant, twisted mystery, as one woman must evaluate saving the people of a town that can't be saved, or saving herself. "Elegant, cruel, and brutally perfect, Company Town is a prize of a novel." —Mira Grant, New York Times Bestselling and Hugo-Award nominated author of the Newflesh series
New Arcadia is a city-sized oil rig off the coast of the Canadian Maritimes, now owned by one very wealthy, powerful, byzantine family: Lynch Ltd. Hwa is of the few people in her community (which constitutes the whole rig) to forgo bio-engineered enhancements. As such, she's the last truly organic person left on the rig—making her doubly an outsider, as well as a neglected daughter and bodyguard extraordinaire. Still, her expertise in the arts of self-defense and her record as a fighter mean that her services are yet in high demand. When the youngest Lynch needs training and protection, the family turns to Hwa. But can even she protect against increasingly intense death threats seemingly coming from another timeline? Meanwhile, a series of interconnected murders threatens the city's stability and heightens the unease of a rig turning over. All signs point to a nearly invisible serial killer, but all of the murders seem to lead right back to Hwa's front door. Company Town has never been the safest place to be—but now, the danger is personal. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

No one gets under Lily Holladay's skin quicker than her ex-best friend Parker Hayes. Popular and completely full of himself, he goes out of his way to make her life miserable. Too bad he lives right next door making avoiding him near impossible.Parker Hayes can't stand Lily Holladay, but not for the reasons she thinks. He made a huge mistake when he pushed her away the summer his family life shattered. Four years later, he has no idea how to fix their relationship.Their balancing act of avoidance and aversion implodes when they are dared to date each other for the summer. With their friends shoving them together and an impromptu trip to a childhood lake house, they may very well discover that strong feelings of dislike are making something deeper.So the question is, will truth come from a dare?

"A jaw-dropping psychological thriller." —Publisher's Weekly, starred review "A fiendishly clever romantic thriller in the vein of Gone Girl and The Girl on the Train. This one will keep you guessing." —Anita Shreve, New York Times bestselling author of The Stars are Fire
When you read this book, you will make many assumptions. You will assume you are reading about a jealous ex-wife. You will assume she is obsessed with her replacement — a beautiful, younger woman who is about to marry the man they both love. You will assume you know the anatomy of this tangled love triangle. Assume nothing. Twisted and deliciously chilling, The Wife Between Us exposes the secret complexities of an enviable marriage — and the dangerous truths we ignore in the name of love. Read between the lies. A 2018 Indie Next Pick.Praise for The Wife Between Us: " A clever thriller with masterful twists. " — Karin Slaughter, New York Times bestselling author of The Kipt Woman
The Wife Between Us delivers a whip smart, twisty plot in a taut, pacy narrative. It's terrific and troubling. This is one scary love triangle where you won't know who to trust. I lovee it!" — Gilly Macmillan, New York Times bestselling author of What She Knew
"A twisty, mind-bending novel about marriage and betrayal. A gripping plot and fascinating characters; this book will keep you turning the pages and guessing until the very end. A must-read!" — Lauren Weisberger, New York Times bestselling author of The Devil Wears Prada " This amazing story gallops along at breakneck speed, with an ending that snacks you between the eyes and takes your breath away. These authors are destined to become trail blazers in the field of psychological suspense books that explode in your hands!" — Nancy Simpson-Brook, Book Vault " Like a house of mirrors, The Wife Between Us kept me guessing around every corner, delving into the complexities of marriage, friendship, and obsession. " —Javier Ramirez, The Book Table

Camila, Madalena e Margarida sã o trê s meninas ador à veis que fazem as del í cias das suas queridas m ã es. Brincam muitas vezes com a sua vizinha Sofia, que passa a vida a fazer disparates. Sixteen-year-old Simi Fremont thinks she 's found her dream job and the solution to her family 's money problems. But the modeling agency she found online is not what it seems. It ' ll take every bit of her faith for her to escape the dangerous scheme and survive.

When Alexis's little sister Kasey becomes obsessed with an antique doll, Alexis thinks she is just being her usual weird self. Things get weirder, though, when their house starts changing. Doors open and close by themselves; water boils on the unlit stove; and an unplugged air conditioner blasts cold air. Kasey is changing, too. Her blue eyes go green, she starts using old-fashioned language, and she forgets chunks of time.
