**The Magicians And Mrs Quent**

The Magicians and Mrs Quent is a fun but ultimately frustrating book, set in an alternate Regency England (called "Altania"—I presume a portmanteau of "Alternate Britannia") where days and nights vary so wildly in length that you can only know how long tomorrow will be by consulting an almanac, the most ancient forests are dangerous and quasi-sentient, and where gentlemen study magic at university.

**The Magicians and Mrs. Quent (Mrs. Quent, #1) by Galen Beckett**

"The Magicians and Mrs. Quent is a charming and accomplished debut, sure to delight fantasy afficianados and lovers of gothic romance alike." —Jacqueline Carey, author of Kushiel's Mercy
" The Magicians and Mrs Quent combines the sense and sensibility of Miss Austen with the sweep and romantic passion of the Miss Brontes in a fantastical feast of delights.

**Amazon.com: The Magicians and Mrs. Quent eBook: Beckett ...**

The Magicians and Mrs. Quent is written in the style of a historical novel, but is not actually a historical novel because it takes part in a world that is a little different from our own. It is a cleverly constructed story, which I read with great satisfaction.

Raised in a genteel but impoverished household, Ivy Lockwell, eldest of three daughters, is desperate to save her father, a former magician, from the madness that has overwhelmed him and finds the key to saving both him and the entire land from darkness lies in the secrets she uncovers while serving as governess to the wards of the enigmatic Mr. Quent. A first novel. 30,000 first printing.

"A charming and mannered fantasy confection with a darker core of gothic romance" is how New York Times bestselling author Robin Hobb described Galen Beckett's marvelous series opener, The Magicians and Mrs. Quent. Now Beckett returns to this world of dazzling magick and refined manners, where one extraordinary woman's choice will put the fate of a nation—and all she cherishes—into precarious balance. Her courage saved the country of Altania and earned the love of a hero of the realm. Now sensible Ivy Quent wants only to turn her father's sprawling, mysterious house into a proper home. But soon she is swept into fashionable society's highest circles of power—a world that is vital to her family's future but replete with perilous temptations. Yet far greater danger lies beyond the city's glittering ballrooms—and Ivy must race to unlock the secrets that lie within the old house on Durrow Street before outlaw magicians and an ancient ravening force plunge Altania into darkness forever.

Even as her husband is about to attain undreamed-of power, Ivy Quent fears for her family's safety. With war looming and turmoil sweeping the nation of Altania, Ivy finds the long-abandoned manor on the moors a temporary haven. But nowhere is really safe from the treachery that threatens all the Quents have risked to achieve. And an even greater peril is stirring deep within the countryside's beautiful green estates. As Ivy dares an alliance with a brilliant illusionist and a dangerous lord, she races to master her forbidden talents and unravel the terrible truth at the heart of her land's unrest—even as a triumphant, inhuman darkness rises to claim Altania eternally for its own.

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY
"The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin
“Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.” —Joe Hill
“A very knowing and wonderful take on the wizard school genre.” —John Green
“The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century.” —Cory Doctorow
“This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them. . . . an unexpectedly moving coming-of-age story.” —The New Yorker
“The best urban fantasy in years.” —A.V. Club
Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

Orson Scott Card’s The Lost Gate is the first book in the Mithermages series from the New York Times bestselling author of Ender’s Game. Danny North knew from early childhood that his family was different, and that he was different from them. While his cousins were learning how to create the things that commoners called fairies, ghosts, golems, trolls, werewolves, and other such miracles that were the heritage of the North family, Danny worried that he would never show a talent, never form an outself. He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny’s cousins are free to create magic whenever they like, they must never do it where outsiders might see. Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. The Mithermages series The Lost Gate The Gate Thief Gatefather At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

The exhilarating, genre-bending sequel to the sensational New York Times bestseller City of Dark Magic
“If you’re looking for a time-travel mystery with laughs, danger, and a romantic interest clad in lederhosen (and who isn’t?), look no further.” —People (4 Stars)
In this action-packed sequel to City of Dark Magic, we find musicologist Sarah Weston in Vienna in search of a cure for her friend Pollina, who is now gravely ill and who may not have much time left. Meanwhile, Nicolas Pertusato, in London in search of an ancient alchemical cure for the girl, discovers an old enemy is one step ahead of him. In Prague, Prince Max tries to unravel the strange reappearance of a long dead saint while being pursued by a seductive red-headed historian with dark motives of her own. In the city of Beethoven, Mozart, and Freud, Sarah becomes the target in a deadly web of intrigue that involves a scientist on the run, stolen art, seductive pastries, a few surprises from long-dead alchemists, a distractingly attractive horseman who’s more than a little bloodthirsty, and a trail of secrets and lies. But nothing will be more dangerous than the brilliant and vindictive villain who seeks to bend time itself. Sarah must travel deep into an ancient mystery to save the people she loves.

In this enchanting debut novel, Galen Beckett weaves a dazzling spell of adventure and suspense, evoking a world of high magick and genteel society—a world where one young woman discovers that her modest life is far more extraordinary than she ever imagined. Of the three Lockwell sisters—romantic Lily, prophetic Rose, and studious Ivy—all agree that it's the eldest, the book-loving Ivy, who has held the family together ever since their father's retreat into his silent vigil in the library upstairs. Everyone blames Mr. Lockwell's malady on his magical studies, but Ivy alone still believes—both in magic and in its power to bring her father back. But there are others in the world who believe in magick as well. Over the years, Ivy has glimpsed them—the strangers in black topcoats and hats who appear at the door, strangers of whom their mother will never speak. Ivy once thought them secret benefactors, but now she's not so certain. After tragedy strikes, Ivy takes a job with the reclusive Mr. Quent in a desperate effort to preserve her family. It's only then that she discovers the fate she shares with a jaded young nobleman named Dashton Rafferdy, his ambitious friend Eldyn Garritt, and a secret society of highwaymen, revolutionaries, illusionists, and spies who populate the island nation of Altania. For there is far more to Altania than meets the eye and more to magick than mere fashion. And in the act of saving her father, Ivy will determine whether the world faces a new dawn—or an everlasting night. . . .

A Book of Wonders for Grown-Up Readers
Every once in a great while a book comes along that reminds us of the magic spell that stories can cast over us—to dazzle, entertain, and enlighten. Welcome to the Arabian Nights for our time—a lush and fantastical epic guaranteed to spirit you away from the very first page . . . Secreted away in a garden, a lonely girl spins stories to warm a curious prince: peculiar feats and unspeakable fates that loop through each other and back again to meet in the tapestry of her voice. Inked on her eyelids, each twisting, tattooed tale is a piece in the puzzle of the girl's own hidden history. And what tales she tells! Tales of shape-shifting witches and wild horsewomen, heron kings and beast princesses, snake gods, dog monks, and living stars—each story more strange and fantastic than the one that came before. From ill-

tempered "mermaid" to fastidious Beast, nothing is ever quite what it seems in these ever-shifting tales—even, and especially, their teller. Adorned with illustrations by the legendary Michael Kaluta, Valente's enchanting lyrical fantasy offers a breathtaking reinvention of the untold myths and dark fairy tales that shape our dreams. And just when you think you've come to the end, you realize the adventure has only begun.... Praise for *In the Night Garden* "Cathryne Valente weaves layer upon layer of marvels in her debut novel. *In the Night Garden* is a treat for all who love puzzle stories and the mystical language of talespinners."—Carol Berg, author of *Daughter of Ancients* "Fabulous talespinning in the tradition of story cycles such as *The Arabian Nights*. Lyrical, wildly imaginative and slyly humorous, Valente's prose possesses an irrepressible spirit."—K. J. Bishop, author of *The Etched City* "Astonishing work! Valente's endless invention and mythic range are breathtaking. It's as if she's gone night-wandering, and plucked a hundred distant cultures out of the air to deliver their stories to us."—Ellen Kushner, author of *Thomas the Rhymer* "Refreshingly original in both style and form, *In the Night Garden* should delight lovers of myth and folklore."—Juliet Marillier, author of the *Sevenwaters* trilogy

She was born without caste or position in Arukan, a country that prized both. Then a chance encounter led her to a better life. But it also brought her to danger and destiny. Because Kevla Bai-sha's fevered dreams--looming threats to their land and visions of dragons that had once watched over her people--held the promise of truth. Now Arukan--shadowed by mountains and myths--might be overcome by eternal darkness. Kevla, together with Jashemi-kha-Tahmu, rebel prince of the ruling household, would defy all law, all tradition, to embark on a daring quest for the half-forgotten elementals that will save the world. And so Kevla must sacrifice everything...only to be reborn in dragon's flames....
