Building On a , the popular series of English homework books for Year 9 and 10 students, is going where no New Zealand book has gone before: it is being offered as two compatible versions, differentiated to meet the needs of the range of abilities in your students. The original, and probably most widely-used Established version is designed for students who are comfortable with the skills required at this level, those who are refining their established skills. For students who are still mastering these skills we have created a similar but simpler version, Developing. It uses the same passages but edited in length; teaches the same skills but is less detailed to give these students the opportunity to complete the exercises in the same time that other students take to complete more detailed work. The quality remains the same, the work expected is tailored to a different student ability level. Both books link to their corresponding a How to...a textbook, just as before.

The Cambridge Checkpoint English suite provides a comprehensive, structured resource which covers the Secondary 1 framework for English and seamlessly progresses into the next key stage (covered by our Cambridge IGCSE® First Language English series). Excel Basic Skills: English Workbooks Year 3 will help primary school students with the reading and writing they do every day at school in English and in other subjects. Each chapter is set out as a separate unit of work covering a different type of writing (text type,) and contains exercises that relate to that particular text type. When you work in this book you will be practising writing many of the texts you learn at school. Most of the sample texts have been written by students in Year 3. Work through the chapters from 1 to 11 in order. By doing this you will build on skills and understanding from one chapter to the next. By the end of the book you will have a good understanding of Year 3 English. In this book you will find: eleven chapters, each set out as a unit of work covering a particular text type (such as narratives, letters, speeches and information reports), including a chapter on writing for school projects exercises and activities in each chapter which are directly linked to the text type covered practice in skills such as spelling, grammar, vocabulary, punctuation and comprehension interesting and relevant sample texts, including many written by Year 3 students, with important features highlighted answers to all questions at the back of the book
