### Manuals | Genie - A Terex Brand

Programming Genie Hardwired Keyless Entry Pad (KEP1). (This keypad has no cover and is connected to the inside receiver by the special ribbon attached to the keypad) The outside garage door opener keypad has a flat ribbon, which slides behind the garage door molding into the garage and attaches to the keyless entry receiver box.

### Genie Garage Outside Keypad Programming Instructions ...

The owners manual has the model on the front page of the manual. Most Genie garage door openers also have the model number under the light bulb cover on the power head or on the back panel. A lot of the newer Genie models also have the model on the outer cover of the power head, making it easy to tell which model you have from the ground.
