Scientific Journals 2012

This study aimed to examine the conceptions of junior secondary school student misbehaviors in classroom, and to identify the most common, disruptive, and unacceptable student problem behaviors from teachers' perspective. Twelve individual interviews with teachers were conducted. A list of 17 student problem behaviors was generated. Results showed that the most common and disruptive problem ...

Student Classroom Misbehavior: An Exploratory Study Based ...

Although some Science Journals are multidisciplinary, most journals are highly specialized and they publish articles related to specific scientific fields. In an attempt to maintain quality and ensure validity of the research being published, Science Journals subject the articles through a rigorous peer-review process, honoring copyrights.

Database of Scientific Journals - Open Access Journals

The study of science-making is a growing discipline that builds largely on online publication and citation databases, while prepublication processes remain hidden. Here, we report on results from a large-scale survey of the submission process, covering 923 scientific journals from the biological sciences in years 2006 to 2008. Manuscript flows among journals revealed a modular submission ...
